*We collect and use pupil information under the legal basis of **public interest** as an educational setting/school with the delegated task of educating and safeguarding the children in our care and under a **legal obligation** which necessitates our school making statutory data returns to the Department for Education (DfE) and the our Local Authority [as described in Article 6, GDPR].*

Our school is obliged to make statutory pupil census returns and hold attendance information under the following legislation:

Education Act 1996 – Section 434 (1),(3), (4) & (6) and Section 458 (4) & (5)  
Education (Pupil Registration) (England) (Amendment) Regulations 2013  
Department of Education Advice on Attendance (Nov 2016)

*The special categories of data have been collected through explicit consent from the data subject in support of the specific purposes for which the data is being used in the education and safeguarding of pupils in our care [Article 9, GDPR].*

To find out more about the data collection requirements placed on us by the Department for Education (for example; via the school census) go to <https://www.gov.uk/education/data-collection-and-censuses-for-schools>. Whilst the majority of pupil information you provide to us is mandatory (for reasons described above), there may be some information which we ask you for which is not mandatory but provided on a voluntary basis. In some cases, we will ask you for information on the legal basis of **legitimate interest** where the information is required to support an educational or safeguarding function (e.g. a parent/carer email address or mobile contact number so that we can contact the parent/carer in an emergency or reasons involving the safety of the child).

The data we collect relating to medical health information is necessary to protect the **vital interests** of the child so that we can ensure a child's medical needs are properly addressed and catered for.

As a Parent/carer, you cannot decline a data collection but you have right to decline providing information for self-declared data items by selecting the 'Refused' option e.g. ethnicity.

There are certain personal data items (e.g. photographs) which we collect on the legal basis of legitimate interest. We will ask you for your explicit consent about how these data items can be used if the purpose extends beyond holding the data within our main management information system (e.g. photograph on our school's website). As a parent/carer you can change your decision to grant or withdraw consent at any time.

If at any point in the future, we seek to use any previously collected information for another purpose or use the information in new software, we will ask for your explicit consent to do so.

Certain data held on our main management information system is also shared with third party software providers for the following reasons:
