Letters and Sounds Guide for Parents

Overview

'Letters & Sounds' is the government programme for teaching phonics and high frequency words.

It is split into 6 phases:

Phase 1: Children learn rhymes, keep rhythms and start to relate letter sounds to (starting in Nursery) words. E.g. b for bag.

Phase 2: Children learn initial letter sounds and build 3 letter words.

Phase 3: Children learn all 44 phonemes and blend sounds to read and write words

Phase 4: Children blend consonants together to read difficult words e.g. blue, grab.

Phase 5: Children learn how to spell letter sounds in more than one way e.g. rain, day, make.

Phase 6: Children learn how to spell word specific spellings. E.g. turned, beautiful, Shopping.

The aim of this booklet is to give you a clear picture of how we approach the teaching of phonics and word recognition and how, as a parent or carer, you can support and encourage your child at home. Please note there is a glossary which explains some of the terminology.

a great selection of games that link well with games in Letters and Sounds.

Phase 1

This paves the way for systematic learning of phonics and usually starts in nursery or playgroup.

Teachers plan activities that will help children to listen attentively to sounds around them, such as the sounds of their toys and to sounds in spoken language.

Teachers teach a wide range of nursery rhymes and songs. They read good books to and with the children. This helps to increase the number of words they know - their *vocabulary* - and helps them talk confidently about books.

Things to try at home:-

- Play games like 'I spy'
- Sing songs and rhymes together
- Make a 'junk band' with pots & pans
- Share lots of books together

Phase 2

In Phase 2, they will also be taught the phonemes (*sounds*) for a number of letters (*graphemes*).

Your child will be taught how to pronounce the sounds (*phonemes*) correctly to make blending easier. Try to avoid saying 'buh', 'cuh' encourage your child to say the pure sound.

and be able to read 5 tricky words...

the to I no go

They should be able to **orally blend** (sound talk) cvc words e.g. when you sound out c-a-t, they can tell you the word is cat, and also **orally segment** cvc words e.g. when you say mum, they can pick out the sounds m-u-m.

Spelling is harder than reading. During this phase they will use lots of alternatives to pencil and paper (eg magnetic letters, writing in sand, using paint)

All of these words and sounds form the basis of reading and writing and if they are known before the children go into key stage 2 then they will greatly benefit.

Phase 3

The purpose of this phase is to teach 25 graphemes (letters) most of them comprising of two letters (e.g. oa) so the children can represent each of the 42 phonemes (sounds). Your child will continue to blend and segment for reading and spelling (e.g. pool)

Phase 4

In Phase 4, children continue to practise previously learned graphemes and phonemes and learn how to read and write:

CVCC words: **tent, damp, toast, chimp**

For example, in the word 'toast',

t = consonant, oa = vowel, s = consonant,

t = consonant.

and **CCVC** words: **swim, plum, sport, cream, spoon**

For example, in the word 'cream', **c = consonant,**

r = consonant, ea = vowel, m = consonant.

Also, 'y' can have alternative phonemes: yes/by/gym/very

There are many alternatives which the children will investigate during this phase.
