

Stanbridge Lower School

Thursday June 4th 2020

We hope everyone is well and coping as best they can in these strange times!

Previous to the outbreak of Covid 19, the PTFA had organised an Easter egg hunt for the children as we have done in previous years. We currently have 100+ Easter eggs sitting in boxes waiting to be eaten! We would love the children to have these, so will be distributing them out on Monday 8th June. We are offering parents to come and collect them if they wish to do so. We have given time slots for each year group to help with overcrowding. The eggs have been stored safely in boxes, and have been cleaned with anti-bacterial wipes.

If your child is currently at school we will give these out in school time along with any siblings' eggs, so these do not need to be collected.

Any eggs not collected will be donated to the local nursing home in Stanbridge.

Monday 8th June

9-9.30am pre-school and reception
9.30-10am Year 1
10-10.45am Year 2
10.45-11.30am Year 3
11.30-12pm Year 4

Thankyou for all your previous support, and we look forward to more exciting fundraising in the next academic year.
