## GOOGLE-BE INTERNET LEGENDS!

Dear Parents,

As part of our ongoing Internet Safety lessons we are sending home a parent kit to continue this learning beyond the classroom. This is an interactive game and quiz, together with the materials needed to build an internet legend trophy. We really hope you will have fun and get involved in your child's digital education in an enjoyable way! Please just be aware, each pack contains small parts so adult supervision will be needed-Thank you!

Kindest regards,

Mrs Jo Turney-Science Subject Leader

Miss Danielle Bunn- ICT Subject Leader
