great prospects

During the Christmas holidays, we'll be running a range of free activities for children and young people aged five and upwards.

Try out a local holiday club or youth activity - have fun and make friends while taking part in a range of exciting activities including crafts, sports, theatre and Carnival Arts.

We'll send you more details nearer the time, including information on how to register!

Our sessions are inclusive so are suitable for children with special education needs and disabilities (SEND), and we'll also be running a series of activities that are specifically for children with SEND.

- Visit new places and try out new activities
- Have fun cooking with a recipe box delivered to your home
- All children taking part get a free lunch and snacks throughout the day

The Holiday Activities and Food programme is for children eligible for benefit related free school meals. This is a requirement from the Department for Education who are funding the programme.
