LINSLADE
SCHOOL

To the Local Community,

We are fiercely proud of our school and the rapid improvements that have been seen over the last two years. We wanted to share these with the community and introduce our **new school intent**: to build aspirational bridges for **learners today** and open a window into the wider world, creating opportunities to become **leaders of tomorrow**.

- A broad and balanced curriculum including delivering 3 Languages, Food Technology, Textiles, Music and Drama.
- Specialist subject teaching including Primary-trained Key Stage 2 teachers.
- A full programme of extra-curricular activities including before and after school clubs, successful sports teams, acclaimed school productions, bands and choirs.
- Inclusive and inspirational learning including support and challenge for all abilities.
- Multiple student leadership opportunities and a thriving Student council.
- Impressive site developments including: new library, refurbished dining hall, an outdoor trim trail and more covered outdoor seating.
- An ethos of praise and reward and a robust, strong safeguarding culture.

Don't just take our word for it, please use the QR codes to find out more:
