

Dear Parents and Carers

During the coming weeks you will have the opportunity to visit each of the four middle schools in Leighton Buzzard and Linslade. Due to restrictions, visits to schools will be accessed differently than in previous years, however we hope that you still visit more than one school as each school has its own distinctive character and you will be able to establish the best suited to the needs of your child. Each school will also be running their open events differently due to measures they need to put in place to ensure the safety of visitors and also themselves.

It is important that children’s education is not disrupted and, as Middle School Head Teachers, we would recommend that the opportunities to visit our schools during the school day are mainly for parents and carers. The schools will be open at the following times:-
