Dear Parents and Guardians,

Throughout the school year, children in Key Stages 1 and 2 will have the opportunity to attend sports events and competitions organised and run by the Leighton Linslade School Sports Partnership with the support of the Young Sports Leaders from the middle and upper schools. These events are great experiences for the children, promoting physical activity, health and well-being for all. The aim of the events is to inspire children to have the confidence, competence and knowledge to reach their potential and to live healthy and physically active lives, develop their sportsmanship, communication and cooperation, and to feel a sense of achievement in taking part.

We would greatly appreciate support from parents and guardians to volunteer to supervise children at these events alongside the lead staff member. Unfortunately, we cannot guarantee particular children attending a specific event, as we aim to provide opportunities for all children to attend across the year where possible.
