

# Free holiday fun this Winter in In Central Bedfordshire

Central  
Bedfordshire

great  
prospects

During the school holidays, we are running a wide range of free activities for children and young people in reception year through to year 11 who are eligible for benefit related free school meals.

Our sessions are inclusive so are suitable for children with special education needs and disabilities (SEND), and we'll also be running a series of activities that are specifically for children with SEND.

The Holiday Activities and Food programme (HAF) is for school aged children eligible for benefit related free school meals. This is a requirement from the Department for Education who are funding the programme.

- There is something to suit everyone including crafts, performing arts, sports and games
- Get involved in a holiday club to make friends and have fun
- All children taking part get a free lunch and snacks throughout the day
